FOREWORD

The period in which we live and our graduation from high school offer a privilege for service to any of us who are well prepared. May we think of the years at Norris City High as the initial period in this preparation for the opportunities that lie before us.

To help us meet these opportunities our school has endeavored to give us various keys that will open doors to a successful future. First is the key of knowledge which creates ambitions to work for high goals that lead to success. However without understanding, knowledge is worthless: understanding enables us to apply our knowledge. Our school loyalty expresses hope for continuing courage. May we always be filled with this courage, and use our strength to obtain the highest achievement in life.

These keys we have mentioned are but a few that Norris City High has to offer. Among the many others will be found the key of perseverance which can eventually lead to progress and that of caution which will help us to meet our problems with dignity, kindness, and tolerance.

As we move on to blaze new trails may we always be conscious of these keys.

Although, having been a teacher for more than forty years, she was still interested in her work; and had love, understanding, and mutual respect for each child entrusted in her care. She believed that if all children were given more praise and understanding they would grow up with a more sufficient feeling of security and self-adequacy because to her teaching was a continual work to be done by kindness, by watching, by warning, by precept and by praise, but above all, by example. Standing firmly for what she thought was right, she radiated happiness where ever she went. This teacher who was adored by her family, loved and respected by all her students, her friends, and her neighbors was an inspiration to all them.

To our Doris Mae
Your favorite song will always be ours.

O Lord my God! When I in awesome wonder
Consider all the worlds thy hands have made
I see the stars, I hear the rolling thunder
Thy pow'r throughout the universe displayed.

When Christ shall come with shout of acclamation
And take me home what joy shall fill my heart
Then I shall bow in humble adoration
And there proclaim, my God, how great thou art.

Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art.

OUR GOAL . . . WASHINGTON!

Our Freshman year was spent in getting ready to meet the challenge of four years of high school. In our sophomore year we started projects to finance our trip to Washington. We had a rummage sale in the Teen Town building. At the end of the year we purchased the bleacher seats from the class of 59. Renting these at basketball and football games gave us a good start. During our junior year we sold candy, baked goods, school sweat-shirts and newspapers. A car wash, candy raffle, and the junior play, the climax of that year, helped increase our funds for this trip. As seniors, we realized at the first of the year that our time was growing short, and a lot of hard work would be needed to complete our goal. We started out the year with bake sales and operated a stand at Dairy Day. "Unfortunately, we lost our popcorn popper." Our refreshment truck, "old whitey", helped our funds grow during football season. One of our more important projects, our magazine campaign took time and effort but developed salesmanship talent in the seniors. Traditionally, the senior class received the profit from the coke machine and the refreshment stand at the basketball games. Our doll, "Chatty Cathy", made a Christmas present for the lucky donor and accomplished one more step toward our goal.

These years of work gave us not only our trip to Washington but also lessons in meeting difficult problems, getting along with and meeting people, and most important, working together. At last we reached our goal, but only with the help of the school, town, and last but not least, our parents.

VARSITY FOOTBALL

Again this year, under the coaching of Bill Spratt, the Norris City eleven made an excellent showing. All-conference honors this year went to Bob Hesterly, who did an excellent job in the backfield, and Doyle Wheeler, the big man in the line. Hats off to you fellows for a good performance!

CARDINALS

First Row: Keith Edwards, Jim Davis, Glen Phelps, Dan Crunk, Bob Hesterly, Gerald Mayberry. Second Row: Cleatus Roy, Stanley Austin, John Hatfield, Mickey Colbert, Jerry Cathey, Joel Morehead, Coach Blackman.

In spite of the inconsistent playing of the hardwood five, the spunky "Cardinal spirit" shone bright in several places. After two games of superb basketball and two major upsets, Carmi and McLeansboro, the Norris City team brought back the only first place trophy ever won by them in the Invitational Tournament at Albion.

Nice work boys! First place looks good in the trophy case.

The JV's, after much hard work and lots of sweat, are looking forward to filling those empty varsity suits next year. The coach has put in many evening hours with them and has produced first rank ball players.

See you on the Varsity next year, fellows!

The baseball team, as always, has the making of a fine, aggressive team. As usual we are looking forward to a winning tournament team. Most of the boys are back from last year's team and this should provide plenty of experience.
